
Privacy Policy of website www.xts.it

Dear Visitor, by visiting this website, data relating to identified or identifiable natural persons may be processed.

Regarding this data processing, also pursuant to art. 13 of the European General Data Protection Regulation (EU Regulation 2016/679), the following information is provided, the validity of which is not extended to any other external websites visited by the user through links on this website.

By continuing to browse, and by subscribing to the service proposals contained in the various parts of the website (filling in forms to request information), this general information on the processing is assumed to be acquired, as well as any specific information related to the processing for different and specific purposes, and the user expresses the relative consent to the processing. It is underlined that the consent is valid only if it comes from an adult or a minor who has reached the age of 14 (art. 2 - quinquies Legislative Decree 196 of 2003).

Below is some information and warnings on how the website www.xts.it is managed for the purpose of protecting personal data.

1. DATA CONTROLLER AND DATA PROTECTION OFFICER

XTS INTERNATIONAL SRL – VIA MONTELLO 37 - 31022 PREGANZIOL TV ITALIA - P.IVA IT03524960261

2. PROCESSING OF PERSONAL DATA

The ownership of the data, data provided voluntarily, processed as a consequence to the browsing of the website, is attributed to XTS INTERNATIONAL SRL, with headquarters in VIA MONTELLO 37 - 31022 PREGANZIOL TV ITALIA), which processes the data, other than for optimizing the use of the website, for its statutory purposes.

The processing is carried out by the owner through paper, computerized, telecommunication methods on computer systems and servers in their availability, by the staff in charge (internal and external) who processes the data in order to manage the website in the best way possible with computer and telecommunication methods.

XTS INTERNATIONAL SRL collects data relating to access and navigation within the website to allow the functioning of the services and sections that require user identification and uses the information collected for the technical administration of the website and for any statistical analysis about the use of the website itself. XTS INTERNATIONAL SRL may use global statistical data on the type of traffic and other information related to the website without disseminating or communicating data relating to the individual users to third parties.

Any form of dissemination or communication to third parties is excluded (except for appointed service providers, within the scope of the stated purposes).

3. Consent and data provided voluntarily by the user

The optional, explicit, and voluntary sending of emails to the addresses indicated on this website entails the subsequent acquisition of the sender's address, necessary to respond to the requests, as well as any other personal data included in the message.

4. Website navigation

The use of session cookies is strictly dedicated to the optimization of the use of the website, and therefore exclusively to ensure the best navigation within the website itself.

Access by users is monitored for statistical purposes only, by recording in specific log files. Other websites to which this site may possibly 'link' may contain tracking systems to which the owner of the website is unrelated. There is no guarantee that these external websites are equipped with suitable security systems

aimed at protecting the processed data and to prevent damage (e.g. from computer viruses).

5. Website security measures

Specific security measures have been adopted for the management of the website, aimed at guaranteeing safe access and protecting the information contained on the website from the risk of loss or destruction, even accidental. The antivirus software used in the management of the website is regularly updated. Furthermore, XTS INTERNATIONAL SRL, while guaranteeing the adoption of specific antivirus systems, reminds that, in addition to being a legal obligation, it is advisable for the users to equip their workstation with a prevention and scanning system against viruses.

6. Rights of interested parties

The subjects to whom the personal data processed refer are guaranteed all the rights referred to in articles 15, 16, 17, 18 of Regulation 679 (access with confirmation of the existence or otherwise of the processing of the data; rectification, cancellation, and limitation of processing when the cases occur).

The interested user has the right to oppose in any case, for legitimate reasons, to their processing.

Requests should be addressed:
